# Candidate Profile

In an effort to assist families with the admission process, the following secondary schools—Deerfield Academy, Groton School, The Hotchkiss School, The Lawrenceville School, Phillips Academy, Phillips Exeter Academy, St. Paul's School, and The Taft School—have agreed to pilot a shared Candidate Profile as the first step in the application process. To that end, upon completion of the Candidate Profile, a student wishing to apply to one of the schools listed above may simply submit a copy (electronic or photocopied) of this form to the school(s) of his/her choice.

Families should become familiar with each school's admission process and policies. In particular, if you are applying as a day student at one school and as a boarding student at another or if you are applying for different grades at different schools, it is recommended that you complete a paper version of the Candidate Profile in order to clearly identify your intentions for each school.
