FREESTYLE RULES

- ALL skaters and professionals must sign in and pay the applicable fee PRIOR to stepping onto the ice surface. They must show their PASC membership card, if requested to do so. Those without a PASC membership must be USFSA members and pay the non-member fee.
- Private lessons may be given by Phillips Academy Skating School (PASS) staff. Guest professionals who have applied and been accepted to give private lessons during these sessions may do so after signing in and paying the applicable fee.
- Food, drinks (except for plastic water bottles), candy or gum are not allowed. Clothing and other equipment should be left in the dressing area.
- The music rotation begins with "requests" on a first come, first serve basis. Secondary music (tape decks) may be played by professionals only but must be kept at a minimum volume.
- The skater doing his/her program has the right of way, as do jumpers. Do not skate or spin near the path of a jumper. It is the responsibility of the skater to avoid someone in a spin or jump. The skater should say a polite "excuse me" to make others aware of their presence.
- Pros and skaters should be aware of others working in a particular area of the rink and should keep away from that area. Skaters who are receiving a lesson should be given special consideration.
- Corners should be used for double and triple jumps.
- Always be aware of other skaters. Look both ways when attempting backward spirals, leaving the boards or from speaking with your pro.
- Unless injured, rise immediately from a fall. Skaters may not sit or lay on the ice.
- Skaters may not enter the ice surface until the resurfacer doors are closed after a resurfacing. Once the resurfacer doors are opened for a resurfacing, skaters must leave the ice surface immediately.
- Freestyle sessions are restricted to figure skating only.
- Secondary music (tape decks) may be given special consideration.

OPEN SKATE RULES

- ALL skaters must sign in, show their membership card and pay the applicable fee PRIOR to stepping onto the ice surface. Guests of a PASC member must sign a waiver form and pay the non-member walk-on fee. Only one guest per member allowed unless prior arrangements have been made.
- No hockey sticks, pucks, balls, chairs or other objects are allowed on ice. Balance crates may only be used by children 4 yrs. and under, with the approval of rink staff.
- Beginners and children under 5 yrs. must wear a helmet.
- All skaters must wear skates and may not be carried.
- All skaters will skate in the same direction. Faster skaters must yield to slower skaters.
- No racing, horseplay or other rough housing is allowed.
- No food, drinks or candy are allowed on the ice surface.
- Only music provided by the rink is allowed. Headphones are not allowed. Professionals may use secondary music but must keep it at a minimum volume.
- Skaters may not be on the ice surface when the resurfacer doors are open.
- Jumps and spins may be permitted if ice surface is not crowded (as determined by rink staff).
- Private lessons can only be given on weekday Open Skate sessions (except on holidays), providing that the ice surface is not crowded.

BIRTHDAY PARTIES

- Hosting a Birthday Party during an Open Skate session is a benefit extended to members of the PASC. As noted above, reservations must be made by members to bring more than one guest to an Open Skate session.
- Reservations and arrangement may be made by calling (978) 684-7217. For as little as $18.95 per child, parties include ice skating, rental skates, party room, pizza or hot dog meal, hot chocolate, group activities and more.
- Parties are scheduled on Sunday evenings (or Saturday evenings in the winter) or during school vacations and are reserved on a first come, first serve basis.
- Up to as many as four (4) birthday parties may be scheduled during one Open Skate session. A section of the ice surface may be reserved for on-ice party activities as well as a photo opportunity with the Zamboni.
