

PAWIRELESS Networking on a Macintosh Computer

1. Click the WiFi icon in the top menu bar and select PAWIRELESS from the drop-down list.
2. **Username:** [your PAnet username]
3. **Password:** [your PAnet password]
4. Click the **Join** button.

You may get a prompt to **Verify Certificate**. If so, accept the certificate and enter your computer password to store the certificate on your computer.
