Students who attend the Middlebury-Monterey Language Academy often report advancing up to two years in language ability. It’s all because of MMA’s immersive approach, where students who are dedicated and embrace the Language Pledge – **No English Spoken Here**® – can jump grades ahead in ability in just four weeks as they live and learn Arabic, Chinese, French, German, or Spanish.

To find out more about this unique, fun, and rewarding experience visit www.nmla.middlebury.edu or call 802.443.2900.
