Student Name: _____

The Admissions Committee is very interested in getting to know you better. Your answers to these questions will help us get a better sense of who you are as a person. Answer the questions as best as you can. There are no correct or wrong answers. Answer all the questions on a separate piece of paper and make sure you label each question on the sheet you submit. **Please type your answers and staple them to this form.**

Please take time and care in answering all of these questions.
