### The Complete Athlete Camp

In today's game of hockey, the one-dimensional player is behind the play. Coaches are looking for players that can skate, pass, score goals and play defense. Developing the well rounded player – on and off the ice – is the goal of the Complete Athlete program. Not only will the players have on-ice training, they will also be learning a variety of other sports such as flag football and European team handball. Participants will take part in speed, quickness and agility (SQA) training and attend lectures daily on topics such as nutrition, stretching, goal setting and leadership.

### The Prep School / SSAT Prep Camp

The Prep School / SSAT Prep Camp encompasses Gunga Hockey’s overall vision and is intended for student athletes entering 7th and 8th grade who have aspirations of attending prep school. This camp will provide a vehicle for players to assess themselves on ice, to learn how to prepare for the SSAT exam and about the overall prep school application process.

Camper will receive 10 hours of on-ice training, 10 hours of off-ice training and 10 hours of SSAT prep classroom time, led by Smart Start of Andover, MA. Each camper will be evaluated as to their strengths and weaknesses as they pertain to both hockey skills as well as potential SSAT performance in both Math and English. Both boys and girls are welcome to participate but will skate at separate ice times.
