PA Ice Rink Opening Update

Dear PA Ice Rink Community,

We are happy to finally announce we will be open as of September 8th!

This will be a soft opening to ensure the safety of everyone, as we move forward to full operations.

We will make some important changes to our building and how programs run, to ensure the safety of our customers and staff. Some important changes will be:

- Masks must be worn at all times, except when certain programs allow.
- One parent/guardian per child. (NO siblings, please plan accordingly)
- Customers will be allowed to enter the building 10 minutes prior to their ice and will have 10 minutes to exit the building after ice has ended.
- Participants must come dressed except for their skates.
- Locker rooms will be closed.
- All programs must be pre-registered for before you walk in (more details to follow)
- Please follow building flow and social distance policies that have been set up.
  (The full guidelines and COVID 19 policies will be sent out shortly)

Things to be aware of...........

Programs:

As of right now, the following programs are postponed until further notice. More details will come out when we can start these back up.

- Learn to skates
- Tots
- Open skate
- Some hockey programs

We are glad to finally get customers back on the ice and excited to make it a safe, fun environment. Please keep an eye out for an upcoming newsletter in a couple weeks, to detail all of the new schedules and registrations. Make up weeks will also be clarified in the upcoming communications.

We cannot wait to see everyone soon!

-PA Ice Rink Staff
