

## FACILITIES

- 1978 Creation of library instructional and faculty area
- 1978 Library: Decorations for the library study area
- 1978 Up to \$1,000 to commission Virginia Powell to do an etching of approx. 10 buildings on the Abbot Campus and to arrange printing of 500; proceeds from the sale to be credited to the Abbot Academy Fund
  
- 1979 Typewriter — portable for student loan
  
- 1981 Purchase APL — Computer programming/language
  
- 1982 Needlework project — tapestries to be hung in Cochran Chapel
- 1982 Chapel space renovations in basement space vacated by Music Dept.
- 1982 Play area equipment (swings, slides, etc.) on the West Quad
- 1982 Modernizing theatre lighting
  
- 1983 Refurbishing of Williams Hall
- 1983 Portable TV camera for theater productions, English plays — to make a permanent record and to use as a teaching tool.
- 1983 Acquisition of a video monitor, tape recorder and tapes for foreign language instruction
  
- 1984 Portable plant containers
- 1984 Graham House renovations
- 1984 Purchase DIALOG Library service: computer hardware and software, and staff training and online time, for an informational retrieval service
- 1984 WPAA equipment and installation
  
- 1985 Andover Community Day Care fence and installation
- 1985 Amateur Radio Club — Revival
- 1985 Computer loan — “try before you buy” program
- 1985 Art library for classroom use
  
- 1986 Sanctuary rejuvenation— plantings, nesting boxes, stipends
- 1986 Art for the Chemistry wing
- 1986 Visual communications materials: Photographer, contest, parent alumni program, faculty brochure
- 1986 Restoration of Sarah Abbot painting
- 1986 Furniture for Will Hall
- 1986 80 copies 1982 hymnal
- 1986 Electronic computer bulletin board
  
- 1987 Abbot entrance to the library
- 1987 Computers in mathematics
- 1987 Computers for chemistry

- 1990 2 computers and software for mathematics
- 1990 Computer hardware to integrate technology into history/social science teaching
- 1990 CD-ROM music program development
- 1990 Andover Cookbook II start-up funds
- 1990 2 classroom math computers
- 1990 3 classroom math computers
- 1990 Children's playground at Commons
- 1990 Aerobic workout equipment: StairMaster 4000 PT
- 1990 Video equipment for athletic dept.
- 1990 Matching funds for Presidential Award in Teaching equipment
- 1990 AV editing station
- 1990 WPAA: Repairs to the school radio station
  
- 1991 Computer hardware and software for science division
- 1991 Computer hardware and software for science division
- 1991 StairMaster machine — second purchase
- 1991 Audio-visual materials for Spanish dept.
- 1991 Graphing calculators and course materials
- 1991 Planet materials
- 1991 Video disc player for English dept.
- 1991 Preservation framing of 33 canvas wall charts used for teaching
- 1991 Purchase of video equipment for motion media curriculum
- 1991 Provide tutorial supplies to strengthen the PALS program
- 1991 Purchase of printer to go with Macintosh purchased by department
- 1991 Audio/video equipment to tape satellite programs
- 1991 Purchase of heart rate monitors for use in PE classes, thus increasing student awareness and understanding of cardiovascular fitness
- 1991 Purchase of computer (printer and software) in order to expedite record keeping and calculate costs in the Loan Library
- 1991 Funds to purchase a computer for inpatient student use (computer, printer and software)
  
- 1992 Phillipian — Purchase of a new laser printer for the Phillipian
- 1992 Retrospective conversion of existing biblio-records creating accessibility to satellite libraries on campus
- 1992 TV/VCR and supplemental material for 9th grade history course
- 1992 Computerization of past and future Abbot Association records
- 1992 TV/VCR for new College Counseling resource center
- 1992 Purchase of films, videos, video disks, 35 mm slides needed for teaching expanded visual studies reqmt and developing a multicultural curriculum
- 1992 Request for covering costs of remodeling the existing ballet studio in the Borden Gym so that it could be used as a studio and performance space
- 1992 Request covers costs of purchasing sound recording equipment for use in Biology labs; also covers proposer's travel expenses to attend a training workshop on this equipment.

1992 Request for the printing and advertising costs for a combined issue of Mirror and Chrysalis, the student poetry and fiction magazines

1993 Request for 250 stackable chairs and dollies for Davis Hall to make it a better space for concerts/meetings. (The funds sought to match a grant from the Abbot Women who gave to refurbish Davis Hall)

1993 Funds to help complete the renovation of Abbot Hall for use as a conference center which will house programs which focus on gender and women's issues

1993 Faculty libraries for each of the sciences; 12 graphing calculators (Chemistry Dept.)

1993 Funding for a video editing-station for student use for academic related videos outside of the Art Dept

1993 Funds for labor and supplies to create an equipment cleaning and maintenance room for S & R in on old bathroom in Evans Hall

1993 Funds to refurbish the 24 Abbot Academy Chapel benches (currently in storage).

1993 Request for the purchase of computer hardware and software to maintain up to date financial aid information and resource information (scholarships, loans, grants, etc.)

1993 Request covers cost of purchasing portable computer equipment for faculty to use when working in remote locations

1993 Request covers cost of purchasing a CD ROM computer program and disk drive for charting galaxies and solar systems in astronomy and cosmology courses

1993 Request covers cost of renting equipment, purchasing supplies and paying Nochimow's salary so that 20-30 students can weave a multi-cultural wall hanging to be displayed in the Office of Community Affairs

1994 Conserve and restore the Stuart Travis mural in the Oliver Wendell Holmes Library

1994 Displays in the lobby of Evans Hall which will identify and provide folklore about a different plant, fruit, flower or small ecosystem

1994 4 emergency radios for the Search & Rescue Course

1994 Chairs and dolly for the Office of Multicultural Development where many student organizations and committees meet

1994 To purchase plaques for 20 PA homes or dorms in celebration of Town of Andover 350th Anniversary

1994 Computer equipment for administration of the tutoring program

1994 Adaptable video projection system which will allow quality, mobile reproduction of sight and sound for social events

1994 To create a campus bike system by refurbishing used bikes and making them available to all students

1994 Restoration of evolutionary map in Evans Hall

1994 Af-Lat-Am club room redecorating (upstairs in Cooley House)

1995 Start-up costs for The PA Quiz Bowl Team, which is involved in academic competition with other schools

1995 Equipment which would enable English teachers to project documents and cd-rom programs onto screens or TVs, enabling students and faculty to explore new methods in teaching and learning

1996 Funds to create sets and costumes for an alternate-year production of the Nutcracker Ballet

1996 Computer equipment upgrade for the loan library in order to track and expand the library services

1996 To purchase two interactive software packages: the presentation of human anatomy (ADAM Essentials) and a problem-oriented simulation of ecological changes in a lake (Lake Iluka)

1996 Funds to purchase an Interim Year computer program and to update current computer equipment to enable access to the Internet for student research of summer opportunities, jobs, and interim year options. College Counseling Office would benefit from this upgrade as well

1996 Funds to upgrade and maintain the radio station equipment: record players, tape recorder, amplifier and microphones

1996 Funds to aid in the design and construction of a running scale model maglev (magnetic levitation) train as a senior physics independent project

1996 Request to purchase 12 easels and 12 bulletin boards to permit students to display their scientific posters in the lobby of Evans Hall and/or in classrooms

1996 Funds for technical support (design and costume phase) of the biennial production of the "Nutcracker". Requests for additional funding from other sources continues

1997 Funds to support the research and design of the "Campus as Exhibition" component of the multi-media exhibition project "Phillips Academy - A Legacy of Design." The "Campus as Exhibition" will engage visitors in its buildings and landscape through a series of maps, signs, information stations, and guided and self-guided tours

1997 To restore and conserve the Stuart Travis mural "Culture Areas of North America" in the Peabody Museum, thereby completing the restoration of the three Travis murals on campus, and the mount a public exhibit at the museum on the work of Stuart Travis at Andover

1997 To design and build a 7-hole portable golf course, using the talents of Bob Lloyd's architecture class

1997 To purchase 18 state-of-the-art winter sleeping bags to permit winter S & R to operate at full strength

1997 To pay for the reframing of the Travis Evolution Mural in Evans basement

1997 Funds to support the creation of two small chap books for the 97/98 academic year. These two volumes will recognize the work (poetry and fiction) of two seniors

1997 Funds to purchase computer equipment which will enhance her counseling by enabling her to access information on the Internet for herself and students, as well as creating a website off the Andover page

1997 Funding for equipment necessary to develop the technological dimensions of the Science Program

1997 Funding for the creation of a T-shirt for the Gospel Choir

1998 Funds to purchase a ProlImage Poster Printer in an effort to provide additional means of communication of events and activities the student body. The machine would also be available to student clubs and departments

1998 Funds to purchase a Power Macintosh computer, with supporting statistical software and wiring to provide Internet access which will support the teaching of AP Statistics. This will provide a vital in-class teaching tool for student-directed data searches and data analysis

1998 Funds for costuming, staging and lighting for a musical/theatrical performance using the Book of Exodus as the source

1998 Funds to help with the creation of a CD-ROM yearbook as a supplement to the existing Pot Pourri

1999 Funds to create an interactive web site for the Abbot Academy Association which would permit searching of past grants to stimulate new ideas, the downloading of the proposal form, and the ability to add historical (past and future) information about the association

1999 Funds to create a proper home for the photography collection donated by Kelly Wise in the Oliver Wendell Holmes Library

1999 Funds to purchase software, hardware and accessories to produce the CD-ROM yearbook, The Phillipedia

1999 To fund the painting of a mural in the Common room of E. Stuart House by its resident students under the supervision of Noah Peffer, Art Department teaching fellow, and to frame student art work produced during the fall term as decoration for the large, empty corridors on the entrance floor

1999 Funds to purchase a software program that enables students to design and draw three-dimensionally

1999 Funds toward the Abbot Gate renovation

2000 Funds to build an interior climbing wall for the P.A. community in conjunction with the move of the program (and all its equipment) out of Evans Hall and into a new facility

2000 Funds to restore the grave marker for Dudley Fitts, renowned instructor of Latin

2000 Campaign Pledge towards the renovation of the Abbot Gates

2000 Funds to provide assistive listening devices for hearing impaired students, faculty, staff, alumni and guests in 3 large group theatres, and to begin improvements in the noise level in Commons for the benefit of all

2000 Second campaign pledge towards the renovation of the Abbot Gates

2000 Funds to laminate, thus permanently preserving, over 60 biology posters. In addition, the size of many of the posters will be reduced and standardized for convenient handling and storage

2000 Funds to design a system to hold a video camera to a kite and then take a "kite's-eye view" of the campus

2001 Funds to give a face-lift to the inpatient rooms at Isham Health Center

- 2001 Funding in order to complete the Antiques and Artifacts database with digitally scanned images and the necessary equipment to make this possible: a Jaz drive and disks to store the data and a digital camera for collecting images
- 2001 Funds to purchase the second of two flat file cabinets to house the laminated Biology posters
- 2001 Funds to replace/rebuild an outdoor kiln (which originated from Abbot Academy). The new kiln will allow students a wider experience of firing techniques
- 2001 Funds to purchase a wireless weather station for Evans Hall
- 2002 Funds to complete the fleet of sea kayaks and associated equipment upgrades in the coming year
- 2002 Funds toward the purchase of two computers to facilitate the overall upgrading of the radio station
- 2002 Funds to refurbish the athletic trophy case in the entrance of the Borden gym
- 2002 Funds for 3 LCD projectors, mounted on carts for portability, which will allow web-based and intranet-mounted educational materials to be presented in the classrooms
- 2003 Funds to update and improve the art studios and classrooms on the ground floor of the Elson Art Center
- 2003 Funds to outfit the dance studio/wrestling room in the Borden gym as a flexible dance performance space
- 2003 Funds to support the radio station's (WPAA) move to Morse Hall, its transition to a webcast station and the upgrading of some equipment
- 2003 Funds to add a computer work station to the personnel office so that faculty and staff can have access to the computer and web-based benefits information
- 2003 Funds to purchase a classroom set of 15 TI Voyage 200 calculators that can run Geometer's Sketchpad plus a projection system
- 2003 Funds to replace the current CPR manikins with currently accepted simulaid, according to OSHA guidelines
- 2003 Funds for recording student music that is not normally recorded; to purchase updated recording equipment for student musicians
- 2003 Funds to develop an automated database linking the current CAMD library inventory to the Oliver Wendell Holmes electronic information system
- 2003 Funds to construct 6 display cases for a portion of the Green-Smith Bird Collection that will be relocated from Evans Hall to the Oliver Wendell Holmes Library
- 2003 Funds to purchase a digital camera and color printer (plus accessories) in order to increase access to the museum's resources and to facilitate cost-effective displays
- 2003 Campaign pledge funds for the Richard L. Gelb Science Center
- 2003 Funds to complete the construction of display cabinets, finish refurbishing the specimens and move a large portion of the Green-Smith Bird Collection from Evans Hall to the Kendrick Gallery of the library
- 2003 Restoration of the Secret Garden in the Abbot woods
- 2004 Funds to purchase equipment for musical performances and concerts

- 2004 Partial funding to be used to research, document and enhance the Chapel Cemetery
- 2004 Partial funding to modify and expand the bird blind in an effort to maximize its benefits
- 2004 Funds to travel to England to gather source materials for a historical documentary for an Abbot Scholars project
- 2004 Funding to create a kiosk to present media projects (computer and video) in the Elson Art Center corridor gallery space. The kiosk will include a computer, DVD player and flat screen monitor
- 2004 Funds to build a trailhead near the entrance to the bird sanctuary and create a 10-stop informative “ecology” trail
- 
- 2005 Funds to purchase 5 digital cameras for the *Pot Pourri* board
- 2005 Funds to revitalize the department’s bookshelves, as a way of stimulating discussion and aiding in our goals of curricular reform
- 2005 Funds to purchase a new video game for the Ryley Room, called “Dance Dance Revolution”
- 
- 2006 Funds to purchase equipment for a new textiles course, and changes to an existing sculpture course that would expand the course to include Japanese papermaking
- 2006 Funds for campus decorations for Andover-Exeter weekend
- 2006 Funds to purchase of an automatic timing system for the track team
- 2006 Funds to install projection technology in the School Room
- 2006 Funds to support the creation of a Digital Image Library on campus
- 2006 Funds to prepare the books, serials and monographs from Dr. Richard Stockton MacNeish for cataloging
- 2006 Funds to create additional bookshelves and computer counter in the main lobby of OWHL
- 2006 Funds to cover initial data entry of scholarships into the existing data management system – Naviance
- 2006 Funds to purchase “Maple 10 (a software program) for use by (MS)2 and Phillips Academy
- 2006 Funds for the Art Department to construct stanchions to allow expanded programming in the Gelb Gallery
- 2006 Funds to purchase a podium for the School Room
- 2006 Funds for student council to add furniture in GW
- 2006 Funds to rebuild the GW Television computer system
- 
- 2007 Funds for The Phillipian photography department to purchase camera equipment
- 2007 Funds for holiday lights and flower bulbs at Eaton Cottage
- 2007 Funds for The Student Council to continue efforts in the GW Beautification Project

- 2007 Funds to purchase small round tables to provide 'pops' concert seating during student chamber music recitals
- 2007 Funds to create an area for Andover's debate team, Philomathean Society, to protect and display awards and trophies
- 2007 Funds to purchase lighting equipment for ambiance and events support in the skating rink, temporary dining facility
- 2007 Funds for WPAA to purchase equipment to sponsor live music events on campus
- 2007 Funds to buy four new team bikes for the PA Cycling Team
- 2007 Funds to replace the Chinese department's traditional lion costume with three smaller lion costumes, a dragon costume, and to fund a visit by off-campus performers for the Annual Chinese New Year Gala
- 2007 Funds for the yearbook to purchase more cameras so students can cover more events
- 2008 Funds for additional tulip planting at Eaton Cottage
- 2008 Funds to refurbish the Rock Room (Segal Room) in Graves Hall with new drum equipment, a microphone, and two amplifiers or microphones for guitars
- 2008 To fund the Andover Rock Climbing Society's request to buy equipment
- 2008 To provide funds for The Courant to host a beatnik coffee house. Funding from the Craig Thorn IV Memorial Fund
- 2008 To fund the Energy Resources Awareness Council and Robotics Club, which are teaming up to build a high efficiency electric car to race at the Deerfield Electrathon Invitational and to encourage sustainable innovation
- 2008 To share, through a photo project, the summer experience of 16 Phillips Academy community members who traveled across the globe
- 2009 To purchase replacement backs and seats for 30 musician chairs in the practice studios at Graves Hall
- 2009 Funds to acquire technology to effectively coach and teach PA baseball pitchers and others
- 2009 Purchase cameras to loan to Pot Pourri photographers
- 2009 Funds to continue the conservation of the older cemetery markers
- 2009 To purchase iClickers to add to the Academy's current stock, to be used for PACE and Wellness Week and by other departments as needed
- 2009 To buy remote control airplanes and other learning equipment for an after-school community service program
- 2009 To improve the sound-proofing in the WPAA recording studio and to improve the microphones in the broadcasting studio
- 2009 to improve the sound-proofing in the WPAA recording studio and to improve the microphones in the broadcasting studio
- 2010 To provide the girl's' varsity field hockey, ice hockey, and lacrosse teams a locker room music system
- 2010 To purchase of a second camera for the electronic timing system used in both winter and spring track

- 2010 To purchase replacement international flags and flagpoles to display at various campus events
- 2010 To fund a Book Scan Station in the OWHL, to replace the public copier, permitting users to scan materials that they would otherwise have photocopied
- 2010 To improve communications and acoustics in the Chapel during concerts between Cloister, Choir Room, backstage area and Chapel Office
- 2010 To improve communications and acoustics in the Chapel during concerts between Cloister, Choir Room, backstage area and Chapel Office
- 2010 To purchase a new sound mixing console for the Chapel
- 2010 To purchase movie-making equipment to expand the film community on Andover's campus and allow more students to make film-festival quality movies outside of the classroom
- 2010 To fund Big Blue Bikes, a community biking program
  
- 2011 To purchase a set of speakers for use on the pool deck
- 2011 To purchase flag holder brackets, to allow for a permanent location of the flag collection in the library, representing Youth from Every Quarter of the Globe
- 2011 To renovate the West Quad Playground, home to many families with young children
- 2011 To fund T-shirts for WPAA's Battle of the Bands
- 2011 To purchase laptop chargers which can be used while working in the library.
- 2011 Outdoor Classroom at Bulfinch Hall, in honor of former Abbot and Phillips English instructor Jean St. Pierre
- 2011 Pew cushions for Cochran Chapel
- 2011 Challenge Grant for the Andover Softball Dugout Project
- 2011 Purchase a digital SLR camera for the athletic department to use for sports photography
- 2011 Purchase new cluster flags and flagpoles
- 2011 Sound System Improvement for A Capella Groups
  
- 2012 "Mother Ginger" Costume for The Nutcracker
- 2012 Equal Access to Cameras for Advanced Video Students
- 2012 World War II Plastic Model Building Club
- 2012 Moncrieff Cochran Sanctuary Natural Resources Assessment
- 2012 Andover Moviemakers Club Equipment
- 2012 WiFi for Ice Rink
- 2012 OptiShot Golf Simulator
- 2012 Borrow-a-Mug from Paresky
  
- 2013 Restoration of Southwest Entrance of Cemetery
- 2013 Bat Houses for the Cochran Sanctuary
- 2013 Scale Model of the Andover Campus
- 2013 World War II Plastic Model Building Club
- 2013 A Social Intranet for Phillips Academy
- 2013 Creating an Outdoor Classroom on Academy Hill: A Sense of Place
- 2013 Collaborative Artwork in Morse Hall

2013 "Reserved" Pew Signs for Cochran Chapel  
 2013 Disc Golf Course  
  
 2014 Scientific Camera for the Phillips Academy Observatory  
 2014 Drama Classroom Renovation  
 2014 Digital Literacies Integration into Instruction across Disciplines  
 2014 U.S. Flag Purchase  
 2014 Melissa Seidemann: On the Road to Gold  
 2014 Props for LARP (Live Action Roleplaying) Society Campus Events  
 2014 Fitness Center Upgrade: FIT Strength and Conditioning Equipment  
  
 2015 "The Nutcracker", Supplemental Costumes  
 2015 Meet Andover: Online App Tool to connect Andover International Community  
 2015 Archival Boxes for Peabody Museum Collections  
 2015 "Bunting" (flags) for Baseball Diamond  
 2015 Silence is Golden: Noise-cancelling Headphones  
 2015 Culture in Words Meeting Supplies  
 2015 Integrated Aquaponics System  
 2015 Moviemakers Club Equipment  
  
 2016 Collection Digitization Project at the Addison Gallery  
 2016 Costume Designer for 44 Plays for 44 Presidents  
 2016 Astronomy Solar Spectrograph for Introductory Astronomy Classes and Public Outreach  
 2016 WPAA Recording Studio Equipment  
 2016 Phillips Academy Podcast Equipment  
 2016 Renewal of WPAA Recording Studio Finalization  
 2016 Direct to Garment (DTG) Printer for Phillips Academy Custom Apparel  
  
 2017 JV - Football MVP (Mobile Virtual Player)  
 2017 Bird Sanctuary Trail Marking- Eagle Scout Project  
 2017 Green the Library with Plants  
 2017 Andover Student's Guide-Reference for Innovators: Pilot-Umbrellas  
 2017 OWHL Pre-1923 Digitization Project  
  
 2018 Refurbishing the Abbot Community Garden  
 2018 Innovating Chemistry Via NMR Spectroscopy  
 2018 OWHL Pre-1923 Digitization Project - Phase II  
 2018 Church Hymnals  
 2018 Telescope Upgrade for the PA Observatory  
 2018 Phillips Academy Rocket Propulsion Laboratory  
  
 2019 Physics Mechanics Labs  
 2019 Garden of Eaton - stage 1 restoration  
 2019 Project-based Computer Science w/ iOS Development  
 2019 Book Purchase: Data for Social Justice Symposium

- 2019 Costume Assistance for Les Miserables
- 2019 Semi-Autonomous Window-Cleaning Drone Project
- 2019 Flow Arts Equipment Expansion
- 2019 *The Andover Edition* - Cameras and Equipment
- 2019 Abbot Academy Dance Suite
  
- 2021 Full Restoration of the Garden of Eaton
- 2021 Abbot Learning Garden
- 2021 Lightbulb Entertainment
- 2021 CCD Camera for the PA Observatory
- 2021 Script Scanning Project
- 2021 Service in STEM Lab Kits
  
- 2023 Fast Imager for the Phillips Academy Observatory
- 2023 Falls Hall, new music building: the entrance, the foyer and administrative offices at the front of the building will be named for Abbot Academy Fund
- 2023 Abbot Hoops: Outdoor community basketball court
