

Dear Andover Alumni,

The Office of Alumni Engagement is inspired by the work of Andover's GSA (Gender & Sexuality Alliance) and looks to build a community not only for the alumni of the program, but also for those who may not have had the opportunity or been able to join during their time at Andover. In the spirit of pride and community, we are continuing to build the Andover LGBTQIA+ alumni community.

[The Equity & Inclusion Committee of the Alumni Council](#) wishes to connect with and mobilize Andover's LGBTQIA+ alumni community. Please fill out [this form](#) to join our listserv to self-identify as part of the LGBTQIA+ alumni community and to receive updates from campus and notifications about regional programming. Thank you for your participation.

The Equity & Inclusion Committee partners with the Office of Alumni Engagement to serve as a catalyst for lifetime engagement. The committee works to foster an alumni community in which all members feel included, empowered, and engaged—regardless of their expression of identity. This committee also endeavors to plan and execute programming that demonstrates the values of an equitable, inclusive, and just community off “the Hill”.

We are grateful for your trust and partnership.

In solidarity,

The Equity & Inclusion Committee of the Alumni Council  
and the Office of Alumni Engagement
