

DONOR-ADVISED FUND GIFTS

Do you have a Donor-Advised Fund (DAF)?

Many Andover alumni and parents have created DAFs with the financial institutions they bank and invest with, using DAFs to support their highest philanthropic priorities. DAFs are an increasingly popular charitable vehicle, due to their administrative simplicity and other benefits.

Supporters of Phillips Academy have directed their DAFs to make Andover Fund gifts and have named Andover as a beneficiary of their DAF within their estate and legal planning.

To talk more about how a DAF might be useful to you in your giving to Andover, contact Grace E. Curley '81, P'20, director of gift planning, with your questions.
