## RESUME & ESSAY

In addition to a current resume, please attach a one- to two-page essay stating why you are applying for this teaching fellowship and describing your interest in secondary education.

## TRANSCRIPT & REFERENCES

In addition to an official college transcript, you will need to provide references from two people who know you and your work well and whose experience qualifies them to judge your capacity to hold an Andover Teaching Fellowship. If you have held any wage-earning jobs during summers or the academic year, one of your references may be an employer. The other must be a member of the faculty or staff of your college, university, or school, preferably from the field in which you hope to teach at Andover.

Reference letters should be mailed to: Assistant Dean of Faculty, Teaching Fellow Program, Phillips Academy, 180 Main St., Andover, MA 01810 or e-mailed to [patf@andover.edu](mailto:patf@andover.edu). Please direct any questions to the Dean of Faculty Office at 978-749-4220.

A preliminary screening of applicants is made on the basis of the information gathered from this application, recommendations and transcripts, and the staffing needs of the Academy for the next year. Not all applicants will be interviewed.
