As students prepare to join the Andover Summer community, they should pack the essentials of clothing and supplies that will carry them through a successful five weeks on campus. (MS)2 does not have a dress code. Clothing is typically casual and comfortable, and students should be sure to pack layers, as days can be quite hot (between 70-90°F / 21-32°C) with cool nights.

Each dorm room has a bed, pillow, dresser, desk, closet or wardrobe, chair, fan and a wastebasket. Linens (Twin-XL sheets, a pillowcase, a lightweight blanket, towels, and washcloths) are also provided; hangers are not. Each dorm has a washer and dryer. The (MS)2 program will provide each scholar with a laundry card pre-loaded with $25 (approx. five loads), and each dorm will have laundry detergent provided.

Any items that would constitute a rule violation (e.g. weapons, tobacco, drugs/alcohol) or that would be considered a fire hazard (e.g. stringed lights, upholstered furniture, appliances, irons, etc. – details can be found in the Blue Book), should not be brought to (MS)2.
