PACKING LIST – SUMMER 2019

As students prepare to join the Andover Summer community, they should pack the essentials of clothing and supplies that will carry them through a successful five weeks on campus. Clothing is typically casual and comfortable, and students should be sure to pack layers, as days can be quite hot (between 70-90°F / 21-32°C) with cool nights.

Each dorm room has a bed, pillow, dresser, desk, closet or wardrobe, chair and a wastebasket. Linens (Twin-XL sheets, a pillowcase, a lightweight blanket, towels, and washcloths) are also provided.

What to Bring:

- Bathing suit, beach towel
- Cell phone and/or prepaid phone card (See Phones section)
- Clothing – casual (for class), athletic (for afternoon activities), dress (for dances and the Closing Ceremony). Make sure to include clothes appropriate for both hot and cold weather (i.e. shorts, pants, t-shirts, sweatshirts, socks, etc.)
- Fan*
- Hangers*
- Jacket
- Laptop computer (if you have one)
- Pajamas, slippers, bathrobe
- Raincoat and/or umbrella
- School Supplies* (pens, pencils, notebooks, etc.)
- Shoes – casual, athletic, & dress
- Spending money or ATM card
- Sports Equipment - for recreation and for Afternoon Activities
- Toiletries (shampoo, soap, deodorant, razors, sun block, bug repellant)*

Students should use good judgment about what not to bring to campus, and should pay careful attention to the guidelines outlined in the 2019 Andover Summer Blue Book. Any items that would constitute a rule violation (e.g. weapons, tobacco, drugs/alcohol) or that would be considered a fire hazard (e.g. stringed lights, upholstered furniture, appliances, irons, etc. – details can be found in the Blue Book), should not be brought to Andover Summer.

Please note that students enrolled in the LSI Course *Forests, Mountains and Beaches* should have received an additional packing list for their 3-day overnight camping trip to the White Mountains, to supplement the items listed above.

*Many of these items may be purchased locally
