The Phillips Academy Skating Club (PASC) provides local skaters with ice times to practice their skills. Memberships for the 2019 – 2020 skating season are now available at the following rates:

- **Figure Skater** – $55.00
- Additional family members – $30.00
- **Recreational Skater** – $35.00
- Additional family members – $15.00

Members of the PASC may access ice times not available to the general public for an additional fee, which is $18 for Freestyle (walk-on) and $6 for Open Skate sessions. Guests may join you and pay a higher rate.

A **Figure Skater** membership enables a skater to access all club ice times including Freestyle and Open Skate sessions. It also enables the skater to utilize the jump harness, video analysis and sound systems with instructor supervision.

A **Recreational Skater** membership enables a skater to access Open Skate sessions only.

Ice time schedules can be accessed on our web site, [www.andover.edu/ice](http://www.andover.edu/ice), then by clicking on “Calendar.”

Membership applications, specific ice time schedules and session rules are now available at the Skating Office and main lobby of the rink.
